SGPGI Vascular Neurosurgery Update

WELCOME MESSAGE

It gives us great pleasure in inviting you to the "Vascular Neurosurgery Update, 2019' to be held at Sanjay Gandhi Postgraduate Institute of Medical Sciences Convention center, Lucknow on 15thand 16thNovember, 2019. The update will include video based lectures on cerebrovascular bypass surgery, surgery for complex aneurysms and AVMs as well as endovascular management of these complex neurosurgical problems. Additional highlights of this meeting will be the hands on workshops on cerebrovascular surgery on models and chicken wings as well endovascular hands training on simulators. Master vascular neurosurgeon from Sapporo, Japan, Dr Rukuya Tanikawa will be our honored international guest for this update. In addition, a number of leading vascular neurosurgeons from our country will share their experience with the participants. We are also planning to have award poster presentation during the meeting.

Lucknow is one of the most sought after tourist destinations of India. With its rich cultural heritage and mouth watering cuisines, it is the perfect place for you to be visiting in the month of

We look forward to your active participation in this academic feast and welcoming you to the city of Nawab's.
